DIRECTORY USERS

This directory is often of the highest value to you. The information you get out of it is sometimes indispensable. Please remember that without the co-operation of the advertisers in this book you would be wholly deprived of the use of it.

All we ask of you

is not to be dumb when you are calling for goods advertised herein; let the advertiser know you read his adv. Too many of us are afraid we will get ourselves under an obligation to buy, or something, when we speak of seeing advertising, especially general advertising like that in a directory, but this is a mistake.

Let the Business Men know and Insure the continued revision of this, or any other Directory.

PREFACE

Volume Six of the South Berkshire Directory has been produced by the most modern system of compilation, and is a reliable authority for information within the ten towns, covering about twelve hundred miles of roadway.

Names of married women will be found, in parenthesis, with the husband's name. A street and house directory for Great Barrington and a map of Great Barrington and Housatonic are included.

We courteously thank all who have assisted in the preparation of the directory, also our numerous subscribers and advertising patrons.

GREAT BARRINGTON
Street and House Directory
(INCLUDING HOUSATONIC)
Alphabetically and Numerically Arranged

1923-25

The system for numbering the streets of the town is as follows: Starting at the beginning of a street or avenue the even numbers will be found on the right side and the odd numbers on the left side. The House Directory shows heads of families or persons in business in order of location on each street. Houses without numbers are indicated by a cipher (0), the dash (—) is used to indicate railroad crossings, bridges, etc., also to show the location of street intersections and connections, where numbers for such intersections are not given.

ABBREVIATIONS: Ave., avenue; bldg., building; blk., block; byd., beyond; dept., department; mnfr. or mnfrs., manufacturers; n., near; r., rear; rd., road; rm., room; s. r., summer residence; st., street.

NOTE: This house index or guide is intended to show all the Great Barrington and Housatonic streets and roads, including each country road to the town limits.
